MEDIA ADVISORY

Customers, health care professionals and caregivers invited to MEDiChair Customer Appreciation Day May 28

Scooters receive free 5-point inspection

Prince George, BC (May 18, 2009) -- "May 28th is going to be a great day Prince George and area residents to visit the MEDiChair store to enjoy a free BBQ and test drive the latest scooters and power wheelchairs," says Tanis Wey, a customer service representative at MEDiChair Prince George. "We have set up a special obstacle course to showcase the capabilities of powered scooters and wheelchairs and to test driving skills. In addition, we have also set aside an area for consumers to leisurely test drive walkers, scooters and wheel chairs. We'll also have manufacturer's product specialists on hand to answer any consumer questions about the latest mobility products."

Wey added, "We want scooter owners to bring their scooters in for a free five-point inspection. And, as a special feature, we'll have a number of volunteers from the New Personal Supports Centre, the Power Mobility Club and On Track Independent Living in Prince George who will wash and clean scooters for a donation to their organization."

In addition to the free BBQ, MEDiChair is awarding a number of prizes throughout the event. There will also be live music during the noon hour with local band Country Cuzzins.
